Donor Privacy Statement

Mary's Center respects the privacy of our donors. We maintain the following policies to assure our donors that their personal information will be protected and will not be shared with any third party.

Mary's Center collects, uses, and maintains the following information from donors:

Contact Information: information name, company name, job title, complete address(es), telephone number(s), email address(es), family and school system relationships (if applicable)

Donations Information: check numbers, credit card number and expiration date, amount donated, and giving history.

All credit card information is entered online through a secure page, sent to Mary's Center and processed by our staff. Once an online donation is submitted, secure measures are in place to ensure that a donor's credit card information is not compromised.

Information Use

Mary's Center will not sell, rent, or lease donor information to other organizations.

Mary's Center will use donor information in the following ways:

- Help donors complete transactions
- Thank donors for their gifts
- Update donors about organizational activity
- Recognize donors
- Distribute gift receipts or statements
- Inform donors about upcoming events and fundraisers
- Analyze internal productivity and effectiveness
- Report to relevant federal and state agencies
- Contact donors about changes to this statement

As part of our donor recognition efforts, Mary's Center may publicize donor names through its annual report, newsletters, website, and promotional materials (in the case of sponsorships). Generally, the specific gift amount will not be identified, but the donor will be recognized under the level of giving category that is appropriate to their donation. Donors always have the option of remaining "anonymous" when making a donation and will not be publicly recognized.
