

**Mary's Center is pleased to invite you to become a new charter member of the
Mary's Center President's Club**

Mary's Center's President's Club is comprised of dedicated supporters whose annual gifts of \$500 or more make them part of a special community of people who have made a significant commitment to advance the work of Mary's Center. The generosity of this group enables the center to build better futures for the individuals and families that come to Mary's Center for health care, education and social services.

As a *President's Club* member, you will receive special updates about Mary's Center, invitations to special events and presentations, special recognition in our publications (*with your approval*), and above all the satisfaction of knowing that your support directly contributes to the health and well-being of the individuals that walk through the doors of Mary's Center every day.

- YES! I would like to become a member of the President's Club today with my first annual donation of \$500!**
