Mary's Center to Recognize Call 4 Health for Their Work in Community Wellness

The recognition will be awarded at Mary's Center's 30th Anniversary Gala

Washington, DC – Mary's Center will honor Call 4 Health with the Community Champion Award at its milestone event: the 30th Anniversary Gala, which will be held on Friday, October 12, 2018 at the Marriott Marquis.

Mary's Center's 30th Anniversary Gala celebrates three decades of offering health, hope, and opportunity for thousands of diverse communities in the region. The Community Champion Award recognizes individuals, foundations, and/or companies whose leadership, partnership, and support epitomize Mary's Center's vision of creating an environment where the health, education, and life needs of the most underserved members of our community are met. In short, award recipients represent true community champions with a dedication to create a healthier, stronger future for all.

Call 4 Health is a champion in community wellness. The company was founded with the guiding belief that through the use of information technology and telephony systems, health care providers could improve patient care by integrating all customer contact points for improved communications and patient satisfaction. Their corporate support and services allow Mary's Center to provide timely culturally competent services to over 50,000 people, including veterans, by having appointment lines open and available 24 hours a day, 7 days a week, 365 days a year.

"Through our work with Mary's Center, we continue to provide the highest quality of patient-provider communication nationwide. Mary's Center's mission is something that we take to heart. We enjoy knowing that the work we do together helps uninsured patients, and veterans get the care they need" – Joseph Pores, CEO of Call 4 Health.

Celebrate this milestone with the Call 4 Health on October 12 from 6:30 – 11:30 PM. Join our Mistress of Ceremonies, Susan Hogan of NBC Washington, and more than 700 Washington area business and community leaders for an inspirational evening of dinner, live and silent auctions, live music, casino games, drinks, and cigars. Help Mary's Center build off its legacy of community trust and impact with a continued commitment to strengthen, empower, and support our families for a future filled with opportunity.
