

Activate Your Patient Portal Account

Step 1: Give your email address to Mary's Center staff so they can activate your Patient Portal account.

Step 2: Check your email inbox for an email from *no-reply@eclinicalmail*. The subject line will read, "Mary's Center Patient Portal Access Information".

Step 3: In this email, you will find your username and a link. Click the link to setup your password and access your account.

Step 4: Start using the Patient Portal!

Note: When you receive the email with your credentials you only have 3 days to set up your account!

If you have any questions or need help, email: Patient.Portal@maryscenter.org

Login to the Patient Portal

ONLINE

www.maryscenter.org/patientportal
